FOR IMMEDIATE RELEASE**

An invitation from James Thompson...

Dear Friends,

We are now 45 days into the year 2008, and I thank all of you who have been so steadfast and dedicated in supporting our campaign amidst the overwhelming clamor of primary election races for U.S. President and Congressional District 22 here in our community. As for our campaign, we now have less than three months till Election Day, and the race is on!

On behalf of myself, my wife Gay and our team of hosts and supporters – I would like to extend an invitation to you to join us for a Meet And Greet Fundraiser from 5:30 to 7:30p.m. Thursday, Feb. 28, at Pappasito's, located at 13750 Southwest Freeway. This event will be hosted by my good friend, Billie Neuhaus. We've set up this event to be a relaxed and friendly time for you to learn more about the campaign and to mix and mingle with your friends and neighbors while enjoying some great food and friendship.

The decision to run for Sugar Land Mayor is one I have taken very seriously, knowing I would have YOUR leadership and input during and after the election was a critical factor in the process.

I know that you don't take our beautiful city for granted. It's been proven to me, time and again, that our citizens are keenly focused on the constant upkeep and advances necessary to keep Sugar Land vibrant and growing. When I served on the Sugar Land City Council, and on the boards of MUD #12 and LID #2, I worked with many of you to enhance our standard of living into a nationally-recognized model of excellence we can be proud of.

In this important election, I am again asking for your help, your voice and your vote to ensure a successful campaign so I can represent you as the next Mayor of Sugar Land. Please join me and my campaign team Feb. 28. I look forward to seeing you there!
